

WE BELIEVE IN THE POWER OF G.I.R.L.

LETTER FROM THE BOARD CHAIR AND CEO

*We carry within
us the wonders we
seek around us.*

Sir Thomas Browne, Author

When you want to appreciate all that is wonderful around us, look at things through the eyes of a child. There is a unique appreciation for the little things and a simplicity to the things that bring children joy. We saw this firsthand as we watched Girl Scouts of all ages take their first steps on the newly rebuilt catwalk at Camp Welaka. They stepped tentatively at first onto the three-foot wide path, but were quickly engaged by everything around them—the wildlife, the water, and the way the mangrove trees had grown up around them, but still left room for the path. They were only a few steps in before you could hear them singing and squealing with delight. There is no doubt that a love of the outdoors was sparked in more than one girl that day.

We also saw it at the National Council Session in Columbus—it's that moment when a girl realizes that she is part of something bigger than her Troop, her Service Unit, or even her Council. She is part of a Movement, a sisterhood—a place where she might meet her lifelong best friend, develop a love of the outdoors during a visit to camp, or find the passion that will one day be the foundation of her career.

This year was full of transition—new Council leadership, a renewed commitment to outdoor education and program, and the fulfillment of long-time commitment to find a new administrative home. The Council completed the strategic plan that will take us through 2020 and will position us to bring leadership experiences to even more girls. Our emphasis on corporate and community partnerships will only enhance these efforts. We are off to a great start, but there is so much more to do.

The work of our volunteers is not to be underestimated, or undervalued. You are our most powerful and valuable resource, and we are grateful for the opportunity to work alongside you. There is no doubt that, together, we will make a difference in the life of every girl we serve. We will bring out the **Go-getter**, **Innovator**, **Risk-taker**, **Leader** in all of them. And we will watch in awe as they make their world a better place.

Sincerely,

Lorna Brown-Burton

Girl Scouts practice leadership with grit like a **go-getter**, problem solve like an **innovator**, embrace new challenges like a **risk-taker**, and show empathy like a **leader**.

Believe in the Power of G.I.R.L.

Believe in the Power of **G.I.R.L.** represents the leadership potential of every parent and professional, adult and adolescent—every Girl Scout. Leadership skills have been at the heart of our Movement since day one, when Juliette Gordon Low brought the first Girl Scouts together in Savannah, Georgia. Indeed, leadership is at the very center of our Girl Scout DNA.

It is the power to empower one's self. It is the power that every member at Girl Scouts has and demonstrates through action each day.

At Girl Scouts, we're all about practicing everyday leadership, preparing girls to empower themselves, and *promoting* **G.I.R.L.** (**G**o-getter, **I**nnovator, **R**isk-taker, **L**eaders) experiences. Because girls who practice leadership like a Girl Scout are more likely to reach their full potential.

Potential that is realized by practicing grit like a **go-getter**, problem solving like an **innovator**, embracing new like a **risk-taker**, and demonstrating empathy like a **leader**.

GO-GETTER

She's bold, honest, and determined to succeed. In her mind failure is no reason not to get back up and try again, and again, and again. That explains why **half of all U.S. businesswomen were Girl Scouts.**

Elizabeth M.
Senior Girl Scout

Why Girl Scouts?

Girl Scouts unleashes the **G.I.R.L.** (**G**o-getter, **I**nnovator, **R**isk-taker, **L**eader) in every girl, preparing her for a lifetime of leadership—from taking a nighttime hike under the stars to accepting a mission on the International Space Station; from lobbying the city council with her troop to holding a seat in Congress; from running her own cookie business today to tackling cybersecurity tomorrow.

Our Girl Scout Leadership Experience is a **one-of-a kind leadership development program for girls**, with proven results. It is based on **time-tested methods and research-backed programming** that help girls take the lead—in their own lives and in the world.

The **inclusive, all-female environment** of a Girl Scout troop creates a safe space where girls can try new things, develop a range of skills, take on leadership roles, and just be themselves.

Girl Scouts takes the potential of girls, combines it with robust skill-building programming, and adds caring adult mentors and strong female role models. We offer the best leadership development experience for girls in the world—one that is **designed with, by, and for girls**.

INNOVATOR

Thinking outside the box is her specialty, so she's always looking for a creative way to take action. A clear correlation: **75 percent of current female senators were Girl Scouts.**

Recognizing Our Volunteers

Our volunteers inspire girls to try new things, take on challenges, and build community. They lead by example, being a mentor, cheerleader and role model for girls throughout their time as a Girl Scout. They help bring out the **Go-getter**, **Innovator**, **Risk-taker**, and **Leader** in every girl, and find it in themselves along the way.

Giving Back Through Community Service

Community service is one of the core elements of the Girl Scout mission – to make the world a better place. Each year, hundreds of troops and thousands of girls embrace what it means to be a **G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)** and use that power to make a difference in their local community.

74,699

Total Number of Community Service Hours

Favorite Community Service & Take Action Projects:

- 1 Collection projects (food pantries, Operation Christmas Child & military care packages)
- 2 Visiting elderly patients, retired veterans and sick children
- 3 Animal shelters and pet rescues (walking animals & other shelter projects)
- 4 Beach, park and school cleanups

Baby Basics

Girl Scouts throughout the Council collected items for babies in need. In October 2016, **1394** Girl Scouts participated and collected **4502** items.

Feeding Florida Together

Girl Scouts throughout the Council partnered together to make a impact on hunger. Girls collected food for local food pantries. In April 2017, we had **1349** girls participate and collect **8091** items.

RISK-TAKER

Courageous and strong, she's keen to try new things and embrace the unfamiliar. It's no wonder that **nearly all of the 40 women who have flown in space were Girl Scouts.**

Cooking with Duffy's

In 2017 we expanded on our amazing partnership with Duffy's Sports Grill and Duffy's Foundation and created a Cooking with Duffy's badge program. Utilizing the talents of Duffy's team of creative culinary and hospitality specialists, we created four badge programs that allowed girls the chance to take over the Duffy's Culinary Arts Studio and earn their grade level legacy cooking badge.

Gerri Emmett, President of the Duffy's Foundation, dons an apron and shows the girls she's just as savvy in the kitchen as she is in the boardroom.

Congratulations to the Gold Award Girl Scout Class of 2017

The Girl Scout Gold Award is the highest award that a Girl Scout in grades 9-12 may earn. Someone once described the Gold Award as being “what you really want to be remembered for” in Girl Scouting. For many, the leadership skills, organizational skills and sense of community and commitment that come from “going for the Gold” set the foundation for a lifetime of active citizenship.

Project Title: *Feeding Palm Beach County - One Mango at a Time*

Serena's project was designed to help food insecure families in Palm Beach County. With the partnership of Cros Ministries, Rotary Club and the Palm Beach Extension Agency, Serena worked to reinvigorate a dying mango grove maintained by Cros Ministries. She collaborated to identify the best choice of mangos to plant and secured a donation of twenty new mango seedlings to plant at the grove in Lantana. Now that the organization is able to glean and distribute mangos again, Serena also developed recipe cards to show the families creative and delicious ways to use the fruit.

GRANT HIGHLIGHTS

Children's Services Council St. Lucie County

- Served 750 girls in St. Lucie County through community partner agencies such as Boys & Girls Club, 21st Century After School Programs, & Title I SLC schools. The curriculum includes the Girl Scout Leadership Experience, STEM, and Anti-Bullying program components. 80% of participating girls who complete the five-week session increase their knowledge of personal safety and maintaining a positive lifestyle. 90% of girls participating in STEM learning activities show an increase in understanding of science, technology, engineering, and math principles. 90% of the participants are able to identify bullying practices and learn methods to stop bullying during their five week sessions.

Palm Beach Sheriff's Office - Serving 50 girls at Lake Worth Middle School and L.C. Swain Middle School, Girl Scouts of Southeast Florida delivers the evidence-based *Be A Friend First* intervention program, which deals with relational aggression among girls. Six sessions include hands-on activities, group discussions, role-play exercises, and creative self-expression. The majority of girls (65% or more) participating in BFF demonstrate a stronger awareness and understanding of bullying behaviors and gain important leadership and resolution skills. These competencies support girls in modeling pro-social behavior and educating and inspiring others to act. As a result, girls completing BFF ultimately help prevent bullying in their schools, homes, and communities, resulting in the increased safety within each of these arenas.

Hobe Sound Community Chest - Through the generosity of the Hobe Sound Community Chest, Girl Scouts of Southeast Florida initiated an assertive campaign to promote the life-changing rewards of volunteering in Girl Scouts; building leadership to form new troops and facilitating a cooperative learning environment to deliver the Girl Scout Leadership Experience in conjunction with Take Action projects which benefit the Hobe Sound Community. The grant provided opportunities to troop members that, because of their financial status, they would not have otherwise been able to experience. In December, girls traveled to Coral Springs to see "The Nutcracker." For many of these girls, this was their first exposure to experience the excitement of watching a live dance performance in person.

Well before Girl Scout Cookies were produced by licensed bakers to sell nationally, Girl Scouts baked and sold cookies on their own. Our girls were entrepreneurs going as far back as 1917!

During the 2017 Cookie Sale Program, **we celebrated the 100th anniversary** of the first known instance of Girl Scouts selling cookies and learning the basic skills and acumen they need to be leaders in business and sales, manage their personal and family finances, and gain self-sufficiency and confidence handling money.

Beside all the favorites and the gluten-free Toffee-Tastic, GSSEF also offered a **new S'mores cookie** to commemorate the 100th anniversary. It's a s'mores-inspired crunchy graham sandwich cookie with creamy chocolate and marshmallow-y filling that became the best selling first year cookie in history.

The 2017 Cookie Sale was a **record setting year**. More than 7,100 girls sold 1,585,655 boxes of Girl Scout Cookies earning more than \$1.16 million dollars in proceeds. Girls then turned those dollars into amazing experiences, once in a lifetime trips and fun-filled troop adventures. Many of them also reinvested what they earned right back into their local community. One of the troops donated a portion of their cookie earning to Decoding Literacy. They decided on this charity after one of the girls in our troop revealed she had dyslexia.

Taking It to the Extreme

Our cookie sellers set lofty goals, and through the skills they learned during the 2016-2017 Girl Scout Cookie Sale Program, became members of the Extreme Team. To qualify to be a member, a girl must sell a minimum of 1,000 boxes of Girl Scout Cookies.

THIS YEAR, **179** GIRLS SOLD **252,402** BOXES OF COOKIES COMBINED!

DAISY'S CIRCLE

Daisy's Circle

Bring her promise to life

Girl Scouts of Southeast Florida launched Daisy's Circle, a monthly giving club for people who want to provide quality experiences for girls and volunteers on an ongoing basis. Over time, GSSEF has learned that traditional, one-time gifts, while vitally important and much appreciated, are inconsistent from year-to-year. One of the advantages of monthly giving is that it is consistent and predictable. By making a monthly contribution, Daisy's Circle members will know that they give girls inspirational role models, offer them a place to gain practical life skills, give them outdoor adventures to build self-esteem, and provide opportunities to develop confidence and positive values.

Daisy's Circle member **Tami Donnally** with her daughter, **Victoria** and granddaughter **Nevaeh**.
